

EXCELLENCE AGAIN!

Photo by Steve Hallbert, Inc.

This summer, Smucker Company won three ABC Excellence awards! These awards validate our commitment to Safety, Productivity and Quality. Thank you to the entire team at Smucker Company for their outstanding efforts on these Projects. We also thank all of our ABC Member Partners for this recognition.

Project: York College Life Sciences Building

General Contractor: Kinsley Constuction

This project consisted of extensive renovations to an existing 3-story classroom building. Smucker Company's work started the end of May and was completed by the middle of August. This was a very aggressive schedule, which required Smucker Company to work extended hours and/or multiple shifts.

Project: Willow Valley Manor Lower Level Renovation- The Manor Club

General Contractor: Creative Construction Solutions LLC

This project is special because there is so much packed into such a small space. The transformation of an existing basement area into an extraordinary "club" space made it a very exciting project to be a part of.

Project: Millcreek Square Building B

General Contractor: High Construction Company

As you drive through Millcreek Square Shopping Center what immediately stands out is the intricate detail on the front façade of the buildings. Smucker Company provided all the cold-formed framing for all the walls, soffits, towers and columns.
